“Technology & the Legal Environment: Change is Inevitable – Go For It”

Program Speaker: Linda Ford / Price Postel & Parma

Linda Ford has been a law firm administrator for over ten years. She recently moved to Santa Barbara when she accepted the position as Administrator for Price, Postel & Parma LLP. She started her career in law as a secretary for the FBI in Washington, D.C. After leaving the Bureau, Linda continued to work in the legal field in the private sector. During her career in private law firms, she worked 15 years as a legal secretary before transitioning into firm administration. She continued to work full-time while pursuing her bachelor's degree and co-managing a very full house. Linda has been married 31 years and is the proud mother of 5 children and grandmother of 12. Her presentation today will address always-evolving technology and the role of legal secretaries in the next 5-10 years.

"What Becoming a CCLS Means to Me"

Terri Collier-Stringer, CCLS, is a career legal secretary with Price, Postel & Parma. She obtained the CCLS title after taking the exam offered by LSI three times.
